Subject: (Systemwide Senate Review) Report of the Working Group on Comprehensive Access

CHAIRS OF SENATE DIVISIONS AND COMMITTEES:

On behalf of Senate Chair Bhavnani, I am forwarding for systemwide Senate review the **Working Group on Comprehensive Access Chair's Report of Findings and Recommendations, with Responses from Working Group Members and UC Legal.** (The report is out for full University-wide review.)

Please submit comments to the Academic Senate office at SenateReview@ucop.edu by **February 19, 2020** to allow us to compile and summarize comments for the Academic Council's February 26 meeting. (Apologies for the very tight comment deadline!) As always, any committee that considers these matters outside its jurisdiction or charge may decline to comment.

(As you read the report, you may want to refer to the July 2019 report of the UC Academic Senate Non-Discrimination in Healthcare Task Force: <https://senate.universityofcalifornia.edu/files/reports/rm-jn-final-report-non-discrimination-healthcare-taskforce.pdf>)

Thanks very much, Michael
